

Funding for travel costs and assistance

Mandatory requirements for funding are:

- timely submission
- application to and discussion with the women's representative or her deputy for the faculty
- Travel with active participation (for law, it is not the active participation at the seminar / conference which is necessary, but a letter of recommendation from the supervisor)
- For doctoral students: only members of the *University of Bayreuth Graduate School* are eligible
- report on previously received funding must be included

Funding, with proof of:

- travel costs
- seminar fees
- accommodation (allowance 40 € per night)
